# Dashboard | Access Overview

**Dashboard Access**

Registry dashboards are available 'on demand' when logging in to the Registry Insights Portal

The screenshot shows the 'registry insights' portal. At the top left is the AAOS logo (American Academy of Orthopaedic Surgeons). To its right is the 'registry insights' logo. A navigation bar contains links for 'Registry Insights Report Password', 'Feedback & Support', 'Update Password', and 'Sign out'. Below this is a red 'HOME' header. The main content area is titled 'My Registries' and features five registry cards: 'AJRR AMERICAN JOINT REPLACEMENT REGISTRY', 'MSTR MUSCULOSKELETAL TUMOR REGISTRY', 'SER SHOULDER & ELBOW REGISTRY', 'American Spine Registry' (with a sub-note: 'A partnership between American Association of Neurological Surgeons and American Academy of Orthopaedic Surgeons'), and 'FTR FRACTURE & TRAUMA REGISTRY'. The footer contains copyright information '© 2012 - 2024 American Academy of Orthopaedic Surgeons' and links for 'Feedback', 'Privacy Policy', and 'Version: 2023.11.0.286'.

Data is refreshed nightly

**Data Availability**

# Dashboard | Access Overview

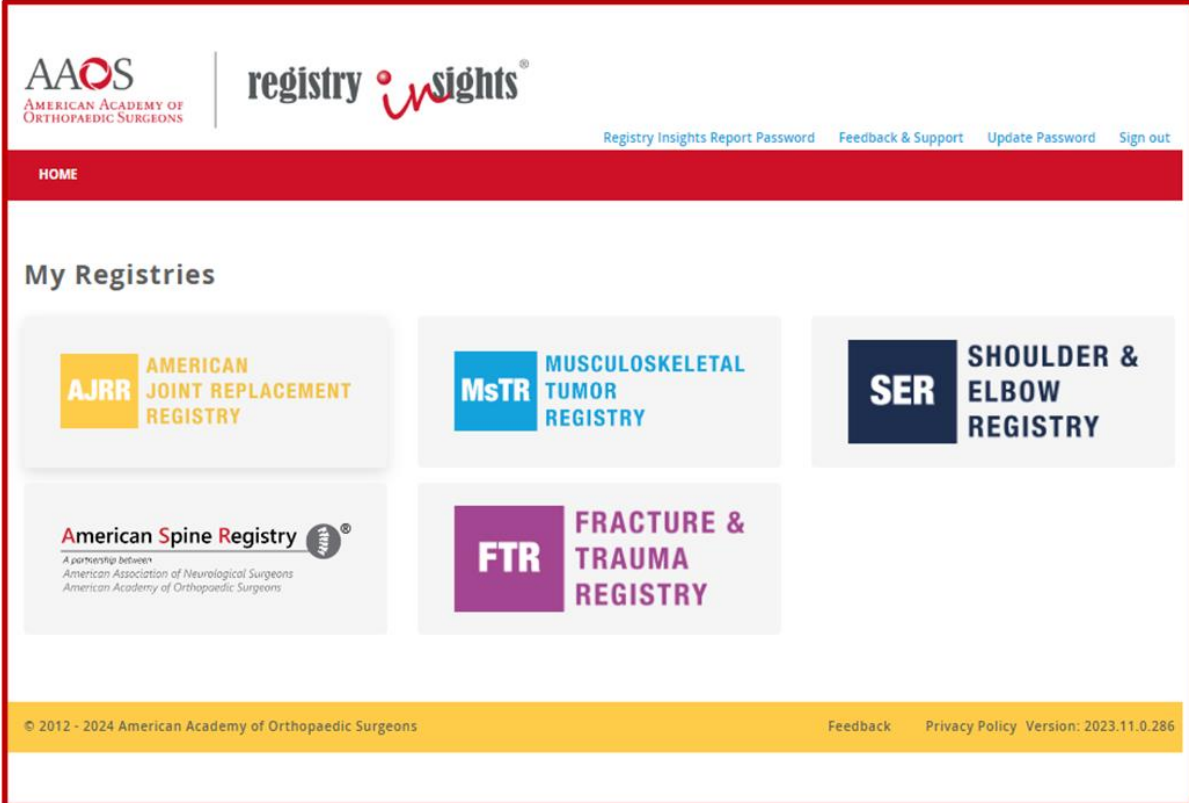

There are two dashboard views available:

## Registry Authorized User:

- Administrative users at participating sites
- These users can view data for their site or for multiple sites within a system

## Surgeon Authorized User:

- Individual surgeon users at participating sites
- These users can view data for their procedures only
- These accounts are setup by the participating site

The screenshot displays the AAOS Registry Insights dashboard. At the top left, the AAOS logo (American Academy of Orthopaedic Surgeons) is shown next to the 'registry insights' logo. A navigation bar includes links for 'Registry Insights Report Password', 'Feedback & Support', 'Update Password', and 'Sign out'. Below this is a red 'HOME' header. The main content area is titled 'My Registries' and features five registry cards: 'AJRR AMERICAN JOINT REPLACEMENT REGISTRY' (yellow), 'MsTR MUSCULOSKELETAL TUMOR REGISTRY' (blue), 'SER SHOULDER & ELBOW REGISTRY' (dark blue), 'American Spine Registry' (a partnership between the American Association of Neurological Surgeons and the American Academy of Orthopaedic Surgeons), and 'FTR FRACTURE & TRAUMA REGISTRY' (purple). The footer contains copyright information for 2012-2024 AAOS, along with links for 'Feedback', 'Privacy Policy', and the version number '2023.11.0.286'.

# Tools and Resources | Overview

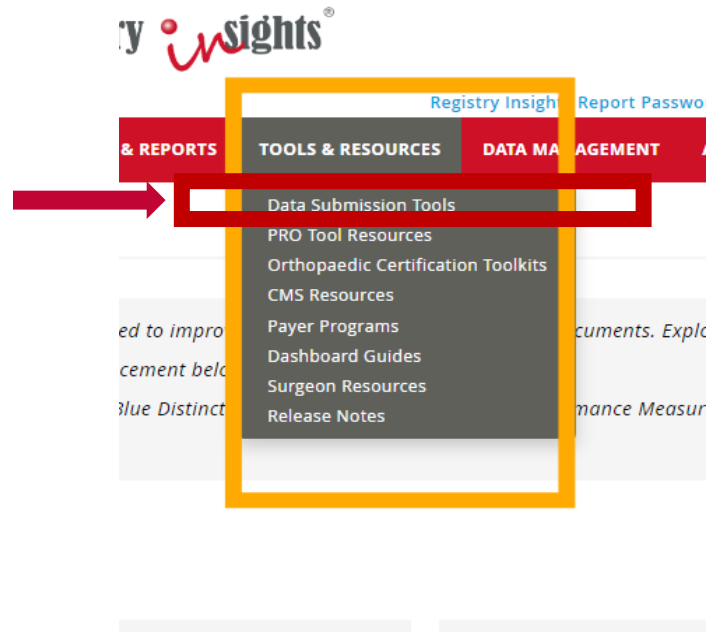

The Tools and Resources section provides key resources and documents for participating sites

The screenshot displays the American Spine Registry website interface. At the top, the logo for "American Spine Registry" is visible, along with "registry insights" and an "ASR" button. A navigation bar includes links for "HOME", "SEARCH", "PRO PORTAL", "DASHBOARD & REPORTS", "TOOLS & RESOURCES", "DATA MANAGEMENT", and "ADMINISTRATION". The "TOOLS & RESOURCES" menu is highlighted with a yellow box and contains the following items: "Data Submission Tools", "PRO Tool Resources", "Orthopaedic Certification Toolkits", "CMS Resources", "Payer Programs", "Dashboard Guides", "Surgeon Resources", and "Release Notes". Below the navigation bar, there are news updates and a "Stats" section. The "Stats" section includes four panels: "Registry Total Procedures" (361.67 K), "Your Breakdown" (a donut chart showing Cervical at 55.95% and Lumbar at 44.05%), "Your Total Procedures" (1.27 K), and "Actual Cases" (Earliest Procedure: 8/26/2018, Latest Procedure: 7/28/2023).
