**General Information**

**Description**
This meeting is designed to identify areas of recent research in the field of orthopaedic foot and ankle surgery relevant to practicing physicians, surgeons, and allied health professionals. The information will be transmitted through scientific paper presentations, question and answer sessions, surgical technique videos, and symposia presentations.

**Statement of Need**
A need for this educational activity has been determined based on previous course evaluations, the AOFAS CME curriculum and on current issues and topics provided by AOFAS membership and leadership.

**Target Audience**
This program should prove valuable to any orthopaedic surgeon, physician, or allied health professional in the field of orthopaedic foot and ankle surgery.

**Program**
The American Orthopaedic Foot and Ankle Society attests that the people responsible for the development of this educational activity did so independently and were not influenced by commercial supporters.

**Educational Objectives**
At the conclusion of this meeting, learners should be able to:
- Evaluate current data reflecting clinical trends, emerging surgical techniques, pre- and postoperative procedures, and technological innovations in orthopaedic foot and ankle patient care.
- Identify ways to analyze, manage, and avoid complications of foot and ankle problems.
- Describe and apply strategies to improve patient outcomes.

**Accreditation**
Continuing Medical Education Credits
The American Orthopaedic Foot & Ankle Society (AOFAS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American Orthopaedic Foot & Ankle Society (AOFAS) designates this live activity for a maximum of 7.00 AMA PRA Category 1 Credits™.

Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Disclosure**
The AOFAS requires all instructors, planners and other individuals in a position to control or influence the content of an educational activity to disclose all relevant financial relationships or affiliations during the past 12 months with any commercial interest (any entity producing, marketing, re-selling, or distributing health care goods and services consumed by, or used on patients). All identified conflicts of interest must be resolved and the education content vetted by the AOFAS for fair balance, scientific objectivity and appropriateness. The AOFAS also requires faculty to disclose when off-label/unapproved uses of a product are discussed in a CME activity. The AOFAS attests that the persons responsible for the development of this educational activity did so independently and were not influenced by commercial supporters. All financial disclosures will be provided to meeting attendees in the final program materials.

**Disclaimer**
The material presented in this continuing medical education activity has been made available by the American Orthopaedic Foot & Ankle Society (AOFAS) for educational purposes only. Methods, techniques and procedures demonstrated and views and opinions expressed by speakers, presenters and faculty are on their own, and do not necessarily represent those of the AOFAS nor does presentation on the program represent or constitute endorsement or promotion by the AOFAS. The AOFAS expressly disclaims any warranties or guaranties, expressed or implied, and shall not be liable for damages of any kind in connection with the material, methods, information, techniques, opinions or procedures expressed, presented or demonstrated. AOFAS may photograph or record you as you participate in this meeting and related activities.

**Program Committee Leadership**
Scott J. Ellis, MD, Program Chair
7:00 am – 7:30 am  Continental Breakfast and Registration

7:25 am – 7:30 am  Welcome
Scott J. Ellis, MD

7:30 am – 8:30 am  Symposium #1: AAOS Meeting Highlights
Moderator: Patrick Ebeling, MD
Panel Includes: Jonathon D. Backus, MD; Kathryn O’Connor, MD; James E. W. Meeker, MD; Emilio Wagner, MD

8:30 am – 9:30 am  Paper Session #1
Moderators: Matthew M. Roberts, MD and Michael Greaser, MD

8:30 am – 8:30 am  Symposium #2: Measuring Outcomes in Foot and Ankle Surgery
Moderator: Harold B. Kitaoka, MD

9:30 am – 9:30 am  Symposium #2: Measuring Outcomes in Foot and Ankle Surgery
Moderator: Harold B. Kitaoka, MD
11:29 am – 11:35 am  Does Postoperative Gabapentin Administration Reduce Opioid Consumption after Foot and Ankle Surgery?
Haley McKissack, Jun Kit He; Sameer Naranje; Joshua L. Washington; Romil K. Patel; Jessyca Ray; Gerald McGwin; Michael D. Johnson, MD; Ashish Shah, MD

11:35 am – 11:41 am  Cheilectomy With or Without Cryopreserved Amniotic Membrane-Umbilical Cord Allograft For Hallux Rigidus: A Prospective Randomized Controlled Trial
Sara H. Galli, MD; Chad M. Ferguson, MD; W. Hodges David, MD; Robert B. Anderson, MD; Bruce E. Cohen, MD; Carroll P. Jones, MD; Susan M. Odum, PhD; J. Kent Ellington, MD, MS

11:41 am – 12:05 pm Discussion

12:05 pm – 1:00 pm Lunch and AOFAS Business Meeting

1:00 pm - 2:00 pm  Symposium #3: Why My Way of Fixing the Bunion is the Best
Moderator: Amiethab A. Aiyer, MD

1:00 pm – 1:05 pm  Lapidus
James R. Holmes, MD

1:05 pm – 1:10 pm  Proximal Opening Wedge
Glenn B. Pheffer, MD

1:10 pm – 1:15 pm  Proximal Rotational Osteotomy
Emilio Wagner, MD

1:15 pm – 1:20 pm  SCARF
Peter Bock, MD

1:20 pm – 1:25 pm  Ludloff
Steven K. Neufeld, MD

1:25 pm – 1:30 pm  Distal Minimally Invasive.
Holly Johnson, MD

1:30 pm – 2:00 pm Discussion

2:00 pm – 3:00 pm  Paper Session #3
Moderators: Taggart Gauvain, MD and Sandra E. Klein, MD

2:00 pm – 2:06 pm  Weightbearing CT and MRI findings of Stage II Adult Acquired Flatfoot Deformity: Can We Predict Patients at High-Risk for Foot Collapse?
Cesar de Cesar Netto, MD, PhD; Guilherme H. Saito, MD; Carolyn M. Sofka, MD, FACR; Harry G. Greditzer, MD; Jonathan T. Deland, MD

2:06 pm – 2:12 pm  Outcomes and Complications of Open Versus Posterior Arthroscopic Subtalar Arthrodesis: A Prospective Randomized Multicenter Study
Chamnannri Rungprai, MD; Yantarat Sripanch, MD; Aekachai Jaroenarporwatana

2:12 pm – 2:18 pm The Effect of CAM Boots on Contact Pressures of the Ankle and Hindfoot Joints
Niall A. Smyth, MD; Pooyan Abbasi; Cesar de Cesar Netto, MD, PhD; Stuart Michnick, MD; Nicholas Casscells, MD; Brent Parks, MSc; Lew Schon, MD

2:18 pm – 2:24 pm Subtalar Arthrodesis for Correction of Forefoot Abduction in Stage II Adult Acquired Flatfoot Deformity
James P. Davies, MD; Scott J. Ellis, MD; Martin J. O’Malley, MD; Mark C. Drakos, MD; Jonathan T. Deland, MD; Jonathan H. Garfinkel, MD; Matthew M. Roberts, MD

2:24 pm – 2:30 pm Radiographic Outcomes after Flexible Flatfoot Reconstruction with and without Spring Ligament Reconstruction
Jessica M. Kohring, MD; Ashlee MacDonald, MD; Steven Karnyski, MD; Irvin Oh, MD; Judith F. Baumhauer, MD, MS, MPH; John P. Ketz, MD; Adolph S. Flemister, MD

2:30 pm – 2:36 pm Hindfoot alignment after total ankle replacement
Christopher E. Gross, MD; Federico Guiseppe Usuelli, MD; Christian Indino, MD

2:36 pm – 3:00 pm Discussion

3:00 pm – 4:00 pm  Symposium #4: Total Ankle Speed-Dating: What is the best total ankle replacement, and why?
Moderator: Constantine A. Demetracopoulos, MD

3:00 pm – 3:05 pm Zimmer Biomet Trabecular Metal™ Lew Schon, MD

3:05 pm – 3:10 pm Cadence® Total Ankle System David I. Pedowitz, MD, MS

3:10 pm – 3:15 pm INFINITY™ Total Ankle System W. Hodges Davis, MD

3:15 pm – 3:20 pm Vantage® Total Ankle System Mark Easley, MD

3:20 pm – 3:25 pm STAR™ Ankle David B. Thordarson, MD

3:25 pm – 3:30 pm Salto Talaris® Ankle Mark P. Slovenkai, MD

3:30 pm – 4:00 pm Discussion

4:00 pm Adjourn
